1. Introduction

The Arts Education Scheme is one of Arts Council's Malta tools to sustain and support the recovery of the cultural and creative ecology, with a focus on arts education. The scheme will support Maltese and Malta based arts education institutions, organisations and enterprises in providing a high standard and forward-looking education in the arts and creativity. These grants will finance formal and informal education providers to support standards-based arts education, invest in wider engagement and professionalisation of the sector and the wider application of creativity and the arts in formal and informal education.

The scheme strives to transform the challenges resulting from the global pandemic into an opportunity for growth and reflection while maintaining and strengthening the positive effects achieved by Arts Council Malta's schemes during the past years. The scheme is also in line with Arts Council Malta's objective of advocating for a broader inclusion of creativity and the arts within formal and informal education strengthening further 21st century education and skills.

The scheme is composed of two calls, the first call in April 2021 focuses on projects aimed at capacity building, investment in resources and initiatives aimed at regeneration and growth of arts education. Projects may include, but are not limited to, research and investment in teaching pedagogies; investment in innovative hybrid or online training tools; student-based participatory research and creative participatory projects.

The second call issued in September on the other hand focuses on both capacity building and transdisciplinary and cross-sectoral collaborations aimed at sharing of knowledge, resources and expertise. Projects may include, but are not limited to, collaborations between arts education organisations and enterprises and teachers within formal education, museums and environmental or social non-governmental organisations.

The objectives of the schemes are:

- To support the research and implementation of arts education pedagogies, also in line with the developing challenges brought about by the COVID-19 pandemic
- To encourage the investment in resources to support arts education pedagogies and practice
- To encourage and facilitate the exchange of knowledge between private education organisations, independent artists, organisations and arts educators within formal education
- To encourage and facilitate interdisciplinary projects using the arts and creativity and foster a school community approach which values student creativity
- To support initiatives aimed at widening engagement of students, young people and adults in arts education.

Nevertheless, the evaluation session and funding decisions depend on the quality of the submitted proposals and on the availability of the funds. Therefore, obtaining 60 marks or more does not automatically mean that you will be awarded the funds. The Evaluation Board may decide not to allocate the total funds available for a particular call if the proposed projects do not reach the required level in terms of the fund criteria.

Eligible applications will be assessed by an evaluation team selected by the Council on the basis of their professional experience. Arts Council Malta will select evaluators on the basis of their independent and professional experience. The evaluators will present an assessment on each of the proposed projects, indicating the relevant ratings awarded.

6.1 Shortlisting

The evaluation board will meet during an initial evaluation in which all the eligible applications will be discussed. All applications will be given a score and those scoring 60 marks and higher will be shortlisted. The shortlisted applications will be invited to attend a pitching session. The pitching session is not compulsory and it is up to the applicant to accept to attend the pitching session.

Shortlisted applicants who opt out of attending a pitching session will not be penalised.

It is solely at the evaluators' discretion to invite any applicant scoring less than 60 marks, to attend a pitching session.

All applications including those that are not shortlisted will receive the official result notification together with a copy of the evaluation form on the result date as indicated in page 2 of this document.

If you have any difficulties concerning your results, you should email us on fundinfo@artscouncil.mt within five (5) days of receiving your funding decision.

No information on the evaluation process will be released before the official result notification. Any form of soliciting will automatically disqualify an application.

9. Applicability of State Aid rules

9.1 State Aid rules applicable for undertakings that carry out an economic activity within the meaning of Article 107 TFEU

The State Aid scheme will be implemented in line with the provisions of Commission Regulation (EU) No 1407/2013 of 18 December 2013 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid, OJ L 352/1 of 24 December 2013, as amended by Commission Regulation (EU) 2020/972 of 2 July 2020 amending Regulation (EU) No 1407/2013 as regards its prolongation and amending Regulation (EU) No 651/2014 as regards its prolongation and relevant adjustments, OJ L 215/3 of 7 July 2020.

This Regulation applies to aid granted to undertakings in all sectors, with the exception of:

- a) aid granted to undertakings active in the fishery and aquaculture sector, as covered by Council Regulation (EC) No 104/2000;
- b) aid granted to undertakings active in the primary production of agricultural products;
- c) aid granted to undertakings active in the sector of processing and marketing of agricultural products, in the following cases:
 - i. where the amount of the aid is fixed on the basis of the price or quantity of such products purchased from primary producers or put on the market by the undertakings concerned;
 - ii. where the aid is conditional on being partly or entirely passed on to primary producers;
- d) aid to export-related activities towards third countries or Member States, namely aid directly linked to the quantities exported, to the establishment and operation of a distribution network or to other current expenditure linked to the export activity;
- e) aid contingent upon the use of domestic over imported goods.

The total amount of de minimis aid granted to a single undertaking shall not exceed the amount of €200,000 over any period of three consecutive fiscal years.

This period covers the fiscal year concerned as well as the previous two fiscal years. 'Fiscal year' means the fiscal year as used for tax purposes by the undertaking concerned.

This maximum threshold would include all State Aid granted under this aid scheme and any other State Aid measure granted under the de minimis rule including that received from any entity other

than Arts Council Malta. Any de minimis aid received in excess of the established threshold will have to be recovered, with interest, from the undertaking receiving the aid.

The rules on cumulation of aid as outlined in Article 5 of the de minimis Regulation will be respected.
