1. Introduction

Following the latest announcement made by the Public Health Authorities, the Ministry for National Heritage, the Arts and Local Government, and the Ministry for Tourism and Consumer Protection are launching Events Support Scheme aimed at making organised cultural and artistic events more economically viable.

The Government is committed to continue supporting artists, organisers and producers in the view of the unprecedented challenges which the world is facing due to the ongoing consequences stemming from the pandemic.

In light of the unique circumstances presented by COVID-19, the Events Support Scheme divided into two strands has been developed to enable cultural and artistic events to take place during the dates stated on page 2 of this document. The Event support Scheme can be availed of for those events falling within the scope outlined in the “Standards for safer organised controlled events taking place in an enclosed area” as published by the Health Authorities. The relevant event/events would also need to satisfy the eligibility criteria as found further below in this document.

The Event Support Scheme – Strand 1 is intended to increase the economic viability of cultural and artistic events through ticket match-funding and logistical assistance.

- An undertaking is defined as an entity engaged in an economic activity within the meaning of Article 107 TFEU (i.e. any activity consisting in offering goods and services on a market), regardless of its legal status and the way in which it is financed. The classification of a particular entity as an undertaking depends entirely on the nature of its activities. The application of the State aid rules does not depend on whether the entity is set up to generate profits. Non-profit entities can also offer goods and services on a market. Where this is not the case, non-profit entities remain outside the scope of State aid. Furthermore, the classification of an entity as an undertaking is always relative to a specific activity. The beneficiaries must use Arts Council Malta’s logo on all related material and specify that the event was supported by the grant as follows: Supported by Arts Council Malta, in all marketing, PR and printed material. The grant received must be used solely for the purpose for which it was awarded, in line with the submitted proposal and the contract.

Beneficiaries must notify Arts Council Malta immediately if changes affecting the event take place during implementation. Changes cannot be implemented unless approval is received. 7. State Aid rules

This Regulation applies to aid granted to undertakings in all sectors, with the exception of:

a) aid granted to undertakings active in the fishery and aquaculture sector, as covered by Council Regulation (EC) No 104/2000;

b) aid granted to undertakings active in the primary production of agricultural products;

c) aid granted to undertakings active in the sector of processing and marketing of agricultural products, in the following cases:
   i. where the amount of the aid is fixed on the basis of the price or quantity of such products purchased from primary producers or put on the market by the undertakings concerned;
   ii. where the aid is conditional on being partly or entirely passed on to primary producers;

d) aid to export-related activities towards third countries or Member States, namely aid directly linked to the quantities exported, to the establishment and operation of a distribution network or to other current expenditure linked to the export activity;

e) aid contingent upon the use of domestic over imported goods.

The total amount of de minimis aid granted to a single undertaking shall not exceed the amount of €200,000 over any period of three consecutive fiscal years.

This period covers the fiscal year concerned as well as the previous two fiscal years. ‘Fiscal year’ means the fiscal year as used for tax purposes by the undertaking concerned.

This maximum threshold would include all State aid granted under this aid scheme and any other State aid measure granted under the de minimis rule including that received from any entity other than Arts Council Malta. Any de minimis aid received in excess of the established threshold will have to be recovered, with interest, from the undertaking receiving the aid.

The rules on cumulation of aid as outlined in Article 5 of the de minimis Regulation will be respected.
Applicants are to submit a de minimis declaration indicating any other de minimis aid received or applied for during the previous two fiscal years and the current fiscal year. This will ensure that the total amount of de minimis aid granted to a single undertaking under the de minimis rule will not exceed the applicable de minimis threshold over three fiscal years.

Should a successful applicant not be eligible to receive de minimis aid, the said applicant will be deemed ineligible and the next ranked applicant will be awarded.

In line with the de minimis State Aid Regulation, records regarding de minimis aid shall be maintained for 10 years from the date on which the last individual aid is granted under the Scheme.
