1. Introduction

The Training and Development Support Scheme is one of our tools to address and implement Arts Council Malta's ongoing strategy, with a focus on nurturing creative potential and supporting its development into professional activity. The *Training and Development Support Scheme* is divided in two strands.

- Strand 1 supports the continuous professional development of Maltese or Malta-based artists, cultural operators and students who are active in the cultural and creative sectors and who seek to engage in short term professional training to improve their skills and advance their specialization.
- Strand 2 supports the development and exposure of young Maltese or Malta-based artists who are active in the cultural and creative sectors. The fund supports short term training opportunities which enhance, but do not substitute or subsidise, the students' current formation programme. It also supports the participation of young creatives in international platforms; including but are not limited to festivals, competitions, exhibitions and/or performances.

The programme reflects the drive towards further professionalisation of the cultural and creative sector and the promotion of an entrepreneurial culture among creative professionals. It provides opportunities to strengthen the knowledge base and strategies of cultural and creative enterprises. By investing in processes designed to improve the quality that is needed to generate artistic work of excellence, our goal is to support the development of a sustainable creative ecology, providing value added and job opportunities in the sector.

The objectives of Strand 1 are:

- To support the continuous professional development of artists and cultural operators in exploring, developing skills, building networks and engaging in national and international collaborations
- To foster excellence in the fields of art and culture, and the advancement of knowledge and capabilities in such related fields
- To invest in training and increase opportunities for artists and creative professionals.
- To encourage professional intellectual growth and productivity
- To encourage creative professionals to continue building their skill sets and to engage in platforms both on a national and international level.

The objectives of Strand 2 are:

- To support the development and mobility of young creatives through training opportunities, exploration, networking and engagement in international collaborations.
- To encourage and facilitate young creatives to expand their skills and actively engage in international platforms
- To enable the exposure of young talent to international platforms
- To facilitate networking with other international artists.

Nevertheless, the evaluation session and funding decisions depend on the quality of the submitted proposals and on the availability of the funds. Therefore, obtaining 60 marks or more does not automatically mean that you will be awarded the funds. The Evaluators' Board may decide not to allocate the total funds available for a particular call if the proposed projects do not reach the required level in terms of the fund criteria.

Eligible applications will be assessed by an evaluation team selected by the Arts Council Malta on the basis of their professional experience. The Council will select evaluators based on their independent and professional experience. The evaluators will present an assessment on each of the proposed projects, indicating the relevant ratings awarded.

6.1 Communication of results

On the day indicated on page 2, you will receive your result notification from Arts Council Malta. Together with the covering letter, we will also attach a copy of the evaluation form, indicating the reasons and marks leading to the Evaluators' Board's decision, according to the fund criteria.

The order of classification of the projects, according to the marks allocated by the evaluators, will be published online. Only the names of the successful projects will be published; in the case of projects which have not been awarded any funds, only their reference number will be published.

If you have any difficulties concerning your results, you should email us on fundinfo@artscouncil.mt within five (5) days of receiving your funding decision.

No information on the evaluation process will be released before the official result notification. Any form of soliciting will automatically disqualify an application.

Upon provision and approval of the above mandatory documentation, a contract specifying the conditions of the fund will be signed. The grant may only be awarded upon completion of the above process within the established timeframe.

The beneficiaries must use the Council's official logo on all related material and specify that the project was supported by the grant as follows: **Supported by Arts Council Malta**, in all marketing, PR and printed material. The grant received must be used solely for the purpose for which it was awarded, in line with the submitted proposal and the contract.
